

The West Column

Thank you for some of the nice comments I received on my piece last month regarding the hymn “Abide with me”! As I confessed in last month’s leader column, its publication was due to a shortage of preparation time but many of you still appeared to find it interesting. Not as interesting or as thought and comment provoking as the previous month’s issue on which I touched on the subject of public rebuke as opposed to constructive criticism so to an extent I would like to return to that theme in this month’s issue.

However, I will start with a short riddle. What is it that as soon as you think you have it, you’ve lost it? The answer is, of course, humility.

I am often astonished at how dogmatic people can be, especially politicians, many of whom have the attitude that they are never wrong. They will not even consider for a single moment that someone else may just hold an opinion which, if different from their own entrenched view, can be even worthy of consideration. It seems that when some individuals obtain a position of power, they believe that they have achieved some sort of exalted status that results in them being always right. In the Gospel according to St. Luke, (14:11), he has some good advice for such people. “For everyone who exalts themselves will be humbled and he who humbles himself will be exalted”.

Yes, a little humility goes a long way. Sadly, in my experience in my former working life in Local Government, it was common to find elected officials (that’s councillors to most of us) to suddenly believe that they were experts in all manners of things and often took the opportunity to berate ordinary employees, from a position of power, in all sorts of way.

Of course, such examples of power corrupting, can be found in all walks of life and I’m sure that we can all recall examples of individuals “getting above themselves”. Sadly, our Craft is no exception to such behaviour and we have often seen brethren attaining rank and power only to exercise it in a dogmatic or autocratic fashion.

At this point, I would say that I have always tried very hard to consider other points of view but if at any time, any Brother considers that I am getting above myself in my position as Provincial Grand Master, then I sincerely hope that you will give me a very sharp tug on my coat tails.

In the Book of Proverbs, we receive excellent advice on this subject: “When pride comes, then comes disgrace, but with the humble is wisdom”; “The way of a fool is right in his own eyes, but a wise man listens to advice”!

As we present the implement of authority in a Lodge, be that a maul, a gavel or a mallet, to a newly installed Master, we charge him to yield it with discretion and wisdom and not to act in a dictatorial or autocratic manner.

It is one of the most important pieces of advice that can be provided to a new and inexperienced Master. It is always important to seek out and consider the views of others especially those who can bring experience and wisdom to assist in the responsibilities of leading a Lodge. The Lord gave us TWO ears and only ONE mouth and sometimes it's helpful to use them in that proportion.

At this time of the year, it is perhaps particularly appropriate to have in mind humility as Jesus was born not into wealth and status but in the most humble of circumstances.

Turning back to the Scriptures, I would finish up with a quote from Philippians; "Do nothing from rivalry or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests but also to the interests of others".

Perhaps if we all showed a little more humility, the Lodge, our workplaces and the world around us would be better off for it!

It only remains for me to extend my very best wishes to you and your families for a very happy, peaceful and joyous Christmas.

Regards,
Jim

Contributions to the West Column

I would as always thank those who have provided contributions to this month's edition and a reminder that photographs of events are also welcome but I have to reserve the right to limit their use as it can affect the email transmission speed. However, please continue to send photographs as I can always include them in later editions. Most importantly, it is assumed that any photographs sent to me have the permission of the subjects for publication. If sending articles with accompanying photographs, could I ask that these are not embedded into a word document but send separately as JPEG files. All contributions should be sent to Jim626Col@aol.com

I am aware that many Lodges have had new initiates or even existing members who may have email addresses but do not receive the West Column. I would be grateful if the Lodge Secretaries could mention the West Column in your respective Lodges and perhaps encourage those who do not yet receive it to drop me a note of their email address and I will add them to the distribution list. The Column goes all over the world but let's make sure that it reaches all possible addresses in the Renfrewshire and Inverclyde area as well! My thanks go to those who have forwarded on new contact details within the last month.

Views expressed by individuals within the West Column do not necessarily represent the views of Provincial Grand Lodge.

Future of the West Column:

Brethren, I have been compiling this on-line document for around 17 years but often I struggle to find newsworthy articles which ARE of interest to brethren. I know this from comments received. However, I am often left frustrated when I realise that events take place but there is no reporting of it for inclusion in the Column.

These are items of interest particularly for brethren who may not be able to attend their Lodges for whatever reason. Nearly everyone has a camera phone nowadays so surely it is not a very difficult task to take a photo and send it to me with a few accompanying words and over the next few weeks it would be particularly nice to receive reports (with a photo or two) of Installations.

While the main purpose of the West Column was originally (and still is) to inform brethren of forthcoming meetings, it is important that other news items are included. Articles can be submitted by anyone, it does not need to be the Lodge Secretary.

Please support the West Column.

Reminder - Advertising of meetings:

The Constitution and Laws of the Grand Lodge of Scotland provide for three ways in which to advertise Lodge meetings.

1. By intimation at the previous Regular Meeting.
2. By advertisement in the local newspaper published at least 48 hours prior to the meeting.
3. By circular delivered or posted to every qualified member at least 5 days prior to the meeting.

The above are the three permissible methods of convening meetings. It is not necessary to use all three; in fact, one method may be used for all meetings. The Lodge bye-laws must make clear which method will be used for any particular meeting.

For many years, the Provincial Grand Lodge of Renfrewshire West has compiled and published a composite advert in the Greenock Telegraph newspaper which has resulted in a significant saving to all Lodges over the previous practice of advertising meetings individually. However, due to the reducing readership of the Greenock Telegraph, it would appear to be the case that Lodges no longer consider this method of advertising to represent good value for money. One Lodge has already withdrawn from the composite arrangement and a further two are in the process of changing their bye-laws to effect a change.

As a result, it was agreed at the most recent meeting of Provincial Grand Committee that Lodges would be informed that the practice of advertising using a composite advert in the Greenock Telegraph would be discontinued from the end of the 2017 – 2018 session. This allows Lodges to fully consider the matter, determine what method they will use to advertise their meetings and allow a period of time to make appropriate alterations to their bye-laws.

In the event that Lodges determine that they wish to discontinue advertising in the Greenock Telegraph, it is recommended that the bye-laws should be altered to simply use option 1 above. This does not preclude the use of other means of advertising meetings such as the West column, Facebook, Lodges websites etc.

It is further recommended that in the event that a Lodge wishes to alter its bye-laws to reflect this change, consideration is given to any other changes which might be made at the same time such as fees etc. Finally, it is strongly recommended that before a change to Lodge bye-laws is submitted to the Lodge as a Notice of Motion, a draft is submitted to Provincial Grand Secretary for approval.

Advertising of Services:

If any Brother wishes to advertise their professional services in the West Column, please let me know and I will be happy to include them if space permits.

Defibrillation Equipment.

On the subject of advertising, there is later in this edition of the West Column, an advert for First Aid Training which is offered by Brother Bryn Hopper, a member of Lodge Firth of Clyde, Gourrock No. 626.

It is understood that many Lodges are currently considering the installation of defibrillation equipment on their premises and it is again confirmed that such equipment may be purchased using funds from a Lodge's Benevolent Account, if that is convenient.

Many firms will offer to sell such equipment but of course there is an element of training which is also required and which can also be costly.

To this effect I am happy to draw to your attention an offer made by Brother Hopper to the Lodges in the Province who is willing to sell such equipment for the special price of £699.00 plus VAT and provide training necessary, free of charge.

Brother Hopper can be contacted at brynrfc@sky.com

Byelaws and Notices of Motion:

Brethren, could I please urge you to ensure that any proposed changes to bye-laws be discussed with the Provincial Grand Secretary BEFORE compiling a Notice of Motion for submission to the Lodge. This will ensure that the Motion is in an acceptable format and avoid any delays caused by having to have the proposal reworded and resubmitted.

Renfrewshire 200 Club (RW200Club).

Application forms are also still available within each Lodge. If you have not already "signed up" I hope that you will give your earnest consideration to this excellent method of charity fund-raising which should at the same time, assist in boosting attendance figures throughout the Lodges. The monthly entry fee is £5.00. However, those wishing to participate are not limited to any number of "entries" and if anyone wishes to purchase two or more tickets they may do so. It is hoped that Lodges will also participate by purchasing tickets and perhaps this could be favourably considered by your General or Finance Committees.

Members may either pay cash (cheques should be made out to the Provincial Grand Lodge) or may take out a standing order arrangement. You can also take part on a monthly basis but to take part in the draw your contribution, whether by cash, cheque or standing order must be with the Provincial Grand Treasurer prior to the draw taking place.

Please remember that a minimum of 50% of the income will be going directly to charity.

The fund has enabled Provincial Grand Lodge to make charitable donations to the recipients of the Province's Citizen of the Year Award for the last three years and as reported fully below, the sum of £10,000 was presented to REACH for Autism, Inverclyde at the Province's annual Summer Ball. This supplements donations already made to the Girl Guides and Hammy's project in Port Glasgow and a proposal will be made at the Regular Communication in October, to dispose of the remaining funds prior to the new Commission taking over on the 1st February 2018.

Change of Commission:

On the 1st February 2018, there will be an entirely new Commission taking control of the Provincial Grand Lodge of Renfrewshire West when the present Provincial Grand Secretary, Brother Robin McIntyre, currently Provincial Grand Master-designate will assume the responsibilities of office of Provincial Grand Master.

Although Brother McIntyre is somewhat limited in his mobility following a serious injury sustained in a fall returning from a meeting, he was able to attend the Installation at Lodge Sir Michael No. 989 on Friday 17th November and took the opportunity to thank the brethren in the Province for the trust placed in him following his nomination by the Lodges and his appointment by Grand Lodge.

He also took the opportunity to announce his team of Commissioned office-bearers who will take up their respective offices on the 1st February as follows;

Depute Provincial Grand Master – Brother John Williamson Black, Past Master of Lodge Doric Kilwinning No. 68 and Past Senior Provincial Grand Warden.

Substitute Provincial Grand Master – Brother Stuart Robert Wilson, Past Master of Lodge Sir Michael No. 989.

Provincial Grand Secretary – Brother Alan Duncan Beck, Past Master of Lodge Greenock Kilwinning No. XII, Past Master of Lodge The Prince's No. 607 (Province of Glasgow).

Provincial Grand Chaplain – Brother George Johnstone Carson, Past Master of Lodge Crawfordsburn No. 1121.

Congratulations as extended to all. Although the Commission is effective from 1st February 2018, the actual Installation will take place in Greenock Town Hall and Saloon on Saturday 17th March 2018 and further details will be provided in future editions of the West Column.

Test Fees:

Please be reminded that it is important that Test Fees are kept up to date. Most Lodges now offer the facility of paying by direct debit which is an excellent way of ensuring that you are always clear in your Lodge.

In particular, it is also important to make sure that if you are an affiliate member of another Lodge, you must be clear in ALL Lodges in which you are a member to ensure that you may continue to visit other Lodges. Brethren who are not up to date in all Lodges of which they are a member, have visiting rights withdrawn as well as the privileges which would normally be afforded to them in their Mother Lodges.

Provincial Ball.

I can also confirm that the Town Hall (and the ever popular Capitol Big Band) have been provisionally booked for next year so put a note in your diaries for Saturday 19th May 2018. This is a little earlier than previous years as we are aware that this year, the date clashed with the long holiday weekend.

Grand Lodge - Festival of St. Andrew.

The Province was well represented at the Festival of St. Andrew at Grand Lodge on Thursday 30th November where we witnessed Brother Charles Iain Robert Wolrige Gordon of Esslemont being installed, once again, for his tenth year, into his office as Grand Master Mason. Following an excellent installation ceremony, the brethren retired to the Corn Exchange for the celebration dinner and were well entertained by the toasts and speeches. A very enjoyable day!

It is hoped that there might be some photographs of the event in the next edition of the West Column. One interesting aspect of the day was the presence of the BBC who are currently recording a programme on The Grand Lodge of Scotland and Scottish Freemasonry. Finally, it was very pleasing to note that a further donation of £11,500 was made by the Grand Master Mason to Mr Adam Gaines of

Prostate Scotland bringing the total so far donated to the charity to over £400,000. The Grand Master also confirmed that the sponsorship of this chose charity would continue for the next 4 years.

Honorary Grand Rank.

Heartiest **congratulations** are also extended to the following brethren from the Province who were all awarded for their services by the Grand Master Mason with honorary membership of Grand Lodge.

Brother Kenneth Kennedy Morrison, Past Master of Lodge Greenock Kilwinning No. XII and Provincial Grand Director of Music – Honorary Grand Architect.

Brother Robin McIntyre, Past Master of Lodge Firth of Clyde, Gourock No. 626, Provincial Grand Secretary – Honorary Assistant Grand Secretary.

Brother Thomas Forgan Menzies Trotter, Past Master Lodge Firth of Clyde, Gourock No. 626 and Provincial Grand Treasurer – Honorary Grand Treasurer.

Commemoration of the Fallen 2018.

Just a reminder that arrangements are being made for a parade and Church Service to take place on Sunday the 18th November 2018, to mark the end of the First World War. This is likely to be a very popular event and again, if numbers are sufficient, it might be possible to organise transport. I will provide further details as soon as they are known.

Arrangements are still a work in progress although it does now appear that the event will be held at Grand Lodge with a parade forming up in Castle Street and marching a short distance around Charlotte Square and along George Street to Grand Lodge for a Service of Commemoration which will be conducted by Past Grand Master Mason, Brother Canon Joseph J Morrow.

Looking ahead to 2018 and the commemoration of the ending of the First World War.

As part of events to mark the ending of the First World War, the Masonic Homes Group in conjunction with the Widows Sons Masonic Motor Cycle Group, will be doing a fundraising tour of the 32 Provinces in 2018 and are schedule to visit this Province on Saturday 29th September. It will be a very short stop but it is likely that the Group will lay a wreath at the Cenotaph in Port Glasgow before heading off to their next stop in Dunbartonshire. It would be appropriate if the Province could present them with a cheque on their visit and perhaps Lodges could consider making a donation to the funds of Poppy Scotland. This will be a matter for the new Commission to consider. (See above comment regarding the challenge to raise £1,918)!

Remembrance Day:

Once again, it is a source of some pride that all of the Lodges in the Provinces were represented at each of the towns and villages across the Province.

The Masters of Lodge Greenock Kilwinning No. XII, Brother Allan T Glen, Lodge Crawfurdsburn No. 1121, Brother Malcolm A Sinclair and Lodge Greenock St. John's No. 175, Brother Thomas Porteous pay their respects at the War Memorial in Wellpark, Greenock following the Remembrance Day Service. Wreaths were laid on behalf of each of the Lodges.

Brethren from Lodge Inverkip Ardgowan No. 1425 at the War Memorial at Inverkip.

RWM Malcolm A Sinclair

RWM Malcolm A Sinclair of Lodge Crawfurdsburn Greenock No. 1121 was installed as a Grand Steward at the last meeting of The Grand Lodge of Scotland.

Annual Installation on 3rd November 2017

On Friday, 3rd November, Bro Malcolm Andrew Sinclair was install for the second time, as Right Worshipful Master of his mother Lodge, Lodge Crawfurdsburn Greenock No, 1121. Bro John Laird and Bro Iain D Hair were also re-installed as Worshipful Senior Deacon and Worshipful Junior Deacon respectively. The Principal Installing Master was Bro Michael O'Neill PM, who was assisted by Bro Thomas More PM and Bro Samuel L Hunter.

The Lodge was well supported by brethren from within and outwith the Province. The Lodge welcomed our regular installation visitors from Lodge Stirling No.1989 (EC), who had travelled from Cleator Moor in Cumbria. RWM Matt Davidson, who presented RWM Malcolm A Sinclair with a decorative walking stick, headed the large deputation from Lodge Stirling on this occasion.

Following the Installation a dinner and harmony took place, at which Loyal and Masonic toasts were made.

Freemasonry Assistance given to Callum McMichael

With a £2,500 donation made by Lodge Crawfurdsburn Greenock and other substantial donations made by other Lodges within the Province, the treatment for Callum McMichael, who suffers from a degenerative muscle disease and who is Bro James McCorkell's (Corky) grandson, will start by the end of the month at Craighalbert Centre, Cumbernauld.

Callum also had a special birthday present when IPM Bro Adam McKenzie turned up in his capacity as a police inspector with one of Police Scotland's cars. As can be seen from the attached photos Callum appears to have had the time of his life.

Callum's mum, Kerry, has expressed her family's extreme gratitude for all the support that Callum has received through the Lodges and has promised to provide us with periodic progress updates, which Lodge Crawfurdsburn will share through West Column.

What is it they say when you think police officers are looking awfully young nowadays?

Ideas for that special Christmas gift!

Still on the subject of charity, Brother John Paton PM1121 has a new hobby, making pens. Selling for between £10 and £15, the pens are made from a variety of materials and judging by the samples I saw will make an excellent gift. £2.00 from every sale goes to good causes.

Perhaps even an ideal gift for that superb team of Installing Masters?

Perfect stocking fillers for that special lady in your life?

CHARITY NEWS

STAMP APPEAL.

Please remember that Brother Bill Crumlsh of Lodge Firth of Clyde, Gourock No. 626 is collecting used stamps in aid of Ardgowan Hospice so please don't throw them away. Put them in an envelope and hand them on to Bill or to any member of 626 who will be pleased to pass them on. This costs nothing, simply a moment of your time and can mean so much to a very worthwhile cause. I'm sure than we all know of someone who has benefited from the care received at Ardgowan Hospice over the years so please help!

Brother Crumlsh has asked me to advise that if donating stamps it is very helpful if approximately 0.25" border is left around the stamp.

ANNIVERSARY LAPEL BADGES.

Lapel Badges for 25, 40, and 50 years service are available at a cost of £5.50 each. A special "gem" set badge for 60 years is also available at £10. **All prices are excluding postage.** For every badge sold, £2 will be donated to the Grand Lodge Benevolent Fund. All cheques should be made out to "David Stevenson"

Badges, may be purchased individually by qualified Brethren, or in bulk by Lodges who may wish to make presentations to deserving Brethren, for meritorious service. All enquiries and orders to treasurno12@aol.com
Please make cheques payable to "David Stevenson".

Anniversary Badges.

Brethren, Brother David Stevenson, who kindly took on the task of co-ordinating the supply of anniversary badges from Brother Henry Tibbles has asked me to include a brief request to the effect that he would appreciate if Lodges could ascertain what the demand is likely to be for supplies of such badges during the coming year. It would be helpful if Lodge secretaries could co-ordinate any likely requests for such badges and advise Brother David of demand. His email address appears at the advert for the badges.

In the October 2014 edition of the West Column, I published a 'Grumpy Old Masters ' Badge, provided by Brother Brian Hopkins PM626. Brother David Stevenson, has advised me that following enquiries from a number of brethren, he has been able to source these at a cost of £5.50 each excluding postage. Brother David's details are provided above.

New Material.

Brother George Carson advises for those with a Kindle Fire HD you can download for free: The Symbolism of Freemasonry by Albert G MacKey in the 1800's. and comments that it is a very interesting insight into the use of symbols and allegories and how they may have developed from ancient cultures into what we have in "modern" Freemasonry. A little bit heavy in parts but as a free download for the information and ideas it is excellent.

Of particular interest to all freemasons in the Ashlar edited and produced locally, it is one of the most informative publications that you could read and is available either through your Lodge or through Brother Alex Galbraith, Immediate Past Provincial Grand Master, for the relatively modest sum of £4.00. Often with articles written by brethren known to us locally, it comes highly recommended.

Lodge Websites.

Brethren, sadly my plea to Lodges to ensure that their websites are up to date appears to have fallen on deaf ears as many of the website contain information which is out of date. There is nothing more off-putting and I am of the opinion that if a Brother accesses such an out of date site, he is unlikely to return to it.

I would appeal to you to ensure that your material is up to date and if possible place a "Last Updated" post on it.

If you are not able to update your meetings in particular, I would suggest that it is better to delete this section and just have your website as a static basic information only site, with contact details.
