## Do you need a Pilot?

Now there's a question for you – do you need a pilot? My better half and I were taking advantage of the fact that we had no childminding duties for a couple of weeks and so booked ourselves a nice cruise for two weeks and a wonderfully relaxing time we had.

In fact, one of the nice things about a cruise is the absence of worrying about time and just letting the world go by. Often these cruises give you a day in a port and generally set sail for the next port of call around early evening and a favourite part of my day was having a small refreshment and watching the preparations for departure. Of particular fascination for me was watching the small pilot boats as they would bounce over the waves then scuttle in close to the side of the ship to catch the pilot as he would jump nimbly from the ship back on to his own pilot boat.

Every time I watched, I could hear the old seaside mission hymn in my head;

Do you need a pilot, signal then to Jesus;  
Do you need a pilot, bid Him come on board.  
For He will safely guide, across the ocean wide,  
Until at last, you reach the heavenly harbour.

The Captain of our own ship, all 55,000 tonnes, regularly made the announcement that we would depart as soon as the pilot came on board and it struck me that in spite of our size, we still had to depend on the skill and ability of the pilot on board a little pilot cutter probably weighing no more than 200 tonnes.

I couldn't help but reflect that there was one of life's great lessons for us in the act carried out by the pilot that no matter how big and how important we become, there are still times when we require a little experience to guide us through the difficulties we encounter in life and indeed sometimes that guidance can come from the most unexpected of sources.

We should always be willing to listen and to open our hearts and our minds to kindly words of guidance whatever the source. This is true in our Craft whether the advice is provided from the “grumbling old Past Master” or that older Brother who, although never taking office, has sat in the columns for the last forty years,

Of course, it isn't just upon the ocean, or indeed within the Lodge, that we can benefit from a pilot in our lives. From childhood to manhood, we learn from the experience of others. The concept of God and Jesus acting as our pilot has been recognised for centuries. As far back as the 17<sup>th</sup> Century, the Puritan writer Thomas Watson wrote that “the ship without a pilot rather floats than sails. O what mercy is it to have God as a pilot”.

Over the following years, many hymns have been written in the same vein, perhaps the most well-known being “Lead us, heavenly Father, lead us, O'er the world's tempestuous seas”.

The World's tempestuous seas can be a metaphor for life's journey and we all need a pilot.

“Yet I am always with you; you hold me by my right hand. You guide me with your counsel and afterwards you will take me into glory”.

The simple seaside mission hymn and the verse above from Psalm 73 are a good reminder that when we find ourselves going through the storms of life, that there is one who will lead us through them. He is one who sails with us through all the buffeting and dangers of life. He does not guarantee us calm but He does guarantee that we will reach our heavenly harbour at last.

And of course, the moral lessons provided by our Craft also give us that guidance.

Do you need a pilot? Signal then to Jesus and bid Him come on board!

Kind regards,

Jim

After much encouragement, I have persuaded our lovely Provincial Grand Chaplain, Brother George J Carson to contribute an article for the Column (maybe others might like to take up the challenge and follow his example – hint, hint).

Anyway, George has decide to write under the pseudonym of Rev. I.M.Geordie but he's fooling nobody!!

Ruth 2:20

“And Naomi said unto her daughter in law, Blessed be he of the Lord, who hath not left off his kindness to the living and to the dead. And Naomi said unto her, The man is near of kin unto us, one of our next kinsmen”.

Naomi is of course talking about Boaz. A role model for us as a Freemasons? I believe he should be. It is no accident that he has been used in our Masonic ritual.

How many of us actually read the full story though? Have a look at the Book of Ruth. It's nice and short and won't take much of your time. It is also interesting to Google Boaz too and get a bit more information on him. Here's an example: *“ In the early years of Jewish settlement, the term "a boaz" (plural "boazim"), derived from the Biblical character, was used to refer to a rich private farmer or landowner.”*

So we should build on Boaz's kindness. He was a man of wealth and power but looked after those who needed his kindness. He looked after Ruth, a foreigner in his country. So let's remember to show kindness to everyone, but maybe especially to those that need it.

Rev. I.M. George (otherwise known as Provincial Grand Chaplain, Brother George C Carson).

**Past Master, Brother James Hart, Lodge Crawfurdsburn No. 1121.**

George was also kind enough to forward to me photographs of the bench placed at the Kelly Cut in memory of the later Brother James Hart, Past Master of Lodge Crawfurdsburn No. 1121 and George's seconder. Jim Hart was one of the nicest people you could ever come across in your life (and an excellent “pilot” to all who knew him (see lead article).

## Contributions to the West Column

I would as always thank those who have provided contributions to this month's edition and a reminder that photographs of events are also welcome but I have to reserve the right to limit their use as it can affect the email transmission speed. However, please continue to send photographs as I can always include them in later editions. Most importantly, it is assumed that any photographs sent to me have the permission of the subjects for publication. If sending articles with accompanying photographs, could I ask that these are not embedded into a word document but send separately as JPEG files. All contributions should be sent to [Jimliv626@gmail.com](mailto:Jimliv626@gmail.com) (Note change of email address).

**Views expressed by individuals within the West Column do not necessarily represent the views of Provincial Grand Lodge.**

Advertising: I would appeal to Lodge secretaries to let me know the details of meetings taking place. I am very conscious of the fact that without the medium of advertising in the local newspaper, there is a void of information which requires to be filled. By letting me know of meetings taking place, I can issue the details in the West Column which is sent out to nearly 500 email addresses as well as adding a weekly update to the Provincial Grand Lodge of Renfrewshire West's facebook page which now has around 300 members. PLEASE take advantage of this medium. The schedule of meetings for the week ahead (where such information has been provided, is published in the Province's facebook page each weekend.

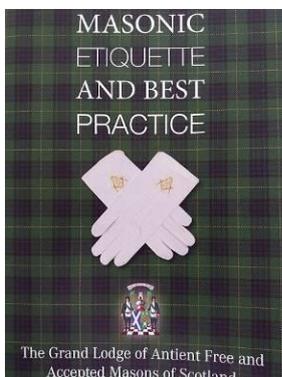

### Personal Information and E-Mail Addresses.

Please note that the email address list held for the purposes of distribution of the West Column, are held for that purpose only and are not made available to any third party without consent. The West Column is distributed using "blind copies" to maintain the privacy of the recipients.

### Photographs:

Please note that if you are having your photograph taken at an event either as an individual or as a group, it will be assumed, unless clearly expressed otherwise, that you are content to allow the photograph to be published in the West Column and on the Province's facebook page. The West Column is distributed directly to a closed email mailing list of approximately 500 names, all of whom are members of the Craft. The Province's facebook page is a closed group made up of around 350 members.

### New Publication from Grand Lodge:

Can I commend to all but especially to those making their way up through the offices, hopefully perhaps towards the chair of their Lodge, the new publication available from Grand Lodge and priced at a very reasonable £3.00 per copy, £1.00 of which is going to Masonic Charities.

The booklet is the work of the Information and Communications Committee and is a very easy guide to Masonic Etiquette and Best Practice.

It covers the A to Z of decorum within the Lodges from the correct positioning of the Altar to correct forms of Address, to Visiting. The booklet also contains guidelines for the use of Masonic Websites, Email and Social Media. One copy is currently being sent to each Master, free of charge and thereafter, the booklet will be available to all to purchase.

- The Anchor Lodge of Research No. 1814 meets on the 1<sup>st</sup> Friday of the months of September, October, April and May.

**Byelaws and Notices of Motion:**

Brethren, could I please urge you to ensure that any proposed changes to bye-laws be discussed with the Provincial Grand Secretary BEFORE compiling a Notice of Motion for submission to the Lodge. This will ensure that the Motion is in an acceptable format and avoid any delays caused by having to have the proposal reworded and resubmitted.

**Renfrewshire 200 Club (RW200Club).**

Application forms are also still available within each Lodge. If you have not already "signed up" I hope that you will give your earnest consideration to this excellent method of charity fund-raising which should at the same time, assist in boosting attendance figures throughout the Lodges. The monthly entry fee is £5.00. However, those wishing to participate are not limited to any number of "entries" and if anyone wishes to purchase two or more tickets they may do so. It is hoped that Lodges will also participate by purchasing tickets and perhaps this could be favourably considered by your General or Finance Committees.

Members may either pay cash (cheques should be made out to the Provincial Grand Lodge) or may take out a standing order arrangement. You can also take part on a monthly basis but to take part in the draw your contribution, whether by cash, cheque or standing order must be with the Provincial Grand Treasurer prior to the draw taking place. Please remember that a minimum of 50% of the income will be going directly to charity.

**Winners:**

The winner of the draws for May and June were Lodge Greenock St. John's No. 175 and Lodge Inverkip Ardgowan No. 1425 respectively. The July draw was won by Brother Ross Nugent (217) and the latest draw in August was won by Brother Archie Wright (68) or to give him his full name Archie Wright Again!

**Test Fees:**

Please be reminded that it is important that Test Fees are kept up to date. Most Lodges now offer the facility of paying by direct debit which is an excellent way of ensuring that you are always clear in your Lodge.

In particular, it is also important to make sure that if you are an affiliate member of another Lodge, you must be clear in ALL Lodges in which you are a member to ensure that you may continue to visit other Lodges. Brethren who are not up to date in all Lodges of which they are a member, have visiting rights withdrawn as well as the privileges which would normally be afforded to them in their Mother Lodges.

Brethren, Brother David Stevenson, who kindly took on the task of co-ordinating the supply of anniversary badges from Brother Henry Tibbles has asked me to include a brief request to the effect that he would appreciate if Lodges could ascertain what the demand is likely to be for supplies of such badges during the coming year. It would be helpful if Lodge secretaries could co-ordinate any likely requests for such badges and advise Brother David of demand. His email address appears at the advert for the badges.

In the October 2014 edition of the West Column, I published a 'Grumpy Old Masters ' Badge, provided by Brother Brian Hopkins PM626. ## **Masonic Education.**

### **The Ashlar:**

Of particular interest to all freemasons in the Ashlar edited and produced locally, it is one of the most informative publications that you could read and is available either through your Lodge or through Brother Alex Galbraith, Past Provincial Grand Master, for the relatively modest sum of £4.00. Often with articles written by brethren known to us locally, it comes highly recommended.

### **Provincial Grand Lodge Renfrewshire East.**

First Aid Training Courses

First ABC Training provide first aid training courses to groups and individuals throughout the UK.

We regularly work with local authorities, members of the public and companies in industries including education, catering, construction, and more.

### ***What courses are available?***

We provide flexible training and curriculums that vary in length to suit your requirements; including 1 and 3 day first aid courses, as well as programmes up to 12 hours and 6 hours or under.

This makes it easier for HR, Health and Safety, Training and Compliance Managers to arrange sessions around their different needs and availability.

Below are some of our most popular courses:

- [3 Day First Aid at Work](#)
- [1 Day EFAW](#)
- AED (Defibrillator)
- [Basic Life Support](#)
- [Appointed Persons](#)

Bryn Hopper Training Manager. (Brother Bryn Hopper is a member of Lodge Firth of Clyde, Gourock No. 626).

**Defibrillation Equipment.** It is understood that many Lodges are currently considering the installation of defibrillation equipment on their premises and it is again confirmed that such equipment may be purchased using funds from a Lodge's Benevolent Account, if that is convenient.

Many firms will offer to sell such equipment but of course there is an element of training which is also required and which can also be costly. To this effect I am happy to draw to your attention an offer made by Brother Hopper to the Lodges in the Province who is willing to sell such equipment for the special price of £699.00 plus VAT and provide training necessary, free of charge.

Brother Hopper can be contacted at [brynrfc@sky.com](mailto:brynrfc@sky.com)
